

PRESS RELEASE

ORACA's New Partnerships Add to its Execution, Settlement, Equity Sales and Distribution Capability.

Partnerships provide access to revenues in the secondary commissions markets in the US and Pan-Europe.

London, 30th January 2010: Independent equity research house, ORACA, today announced new partnerships in the US (for execution, settlement, equity sales and distribution) and in Pan-Europe (Execution, settlement, equity sales) providing ORACA with an off balance sheet US Equity Sales, Sales Trading, Execution and Distribution capability and European Execution, Settlement, Sales Trading and Distribution capability.

“Our new partnerships move us much closer to a complete solution by bringing access to experienced equity sales people and an execution and distribution capability off balance sheet. These partnerships currently increase our equity sales and sales trading capability to eight people across the US and Pan-Europe, “said Christopher Nicholson, Director and Lead Equity Analyst, ORACA. He continued: “We believe that this will contribute to ORACA’s continued global growth.”
